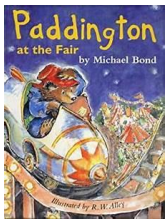
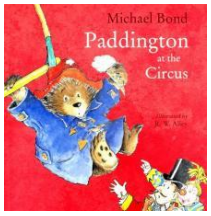
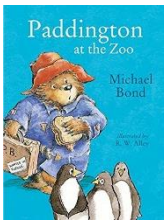
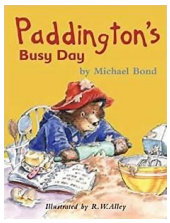
Name_____ 26th February 2021









This week we have listened to some stories about different days out that Paddington had and also about a busy day he spent at home.

Today I would like you to write a recount about a day that you have enjoyed.
Tell me where you were, when it was, who you were with, how you got there (if you went out), what you did and why you enjoyed it.

Please remember to write in full sentences, using capital letters, finger spaces and full stops and try to use some of the time sequencing words that you used in your writing yesterday.

My Favourite Day
