Dear Parents and Carers

I am writing to inform you about some changes that we are making to our Sharing Assemblies starting this term.

As you know, your children are always keen to demonstrate their learning to you and involve you in their school life. In order for you to see more of your child's work each class will be having their own Class Sharing Assembly each term. The dates are as follows;

**Class 1 Friday 10<sup>th</sup> February at 2.45 pm**

**Class 2 Friday 24<sup>th</sup> February at 2.45 pm**

**Class 3 Friday 10<sup>th</sup> March at 2.45 pm**

**Class 4 Friday 27<sup>th</sup> January at 2.45 pm**

Just the parents of pupils in these classes are invited to come to these assemblies which will last for about 20 minutes, during which time the children will share a variety of their learning including topic work, science and art. Birthdays, Special Mentions and achievements from outside of school will also be included.

In addition to Class Sharing Assemblies I will also do a Celebration Assembly on all of the Fridays in between. The children will not show their work at these but will continue to celebrate birthdays, Special Mentions and Achievements from outside of school.

It is suggested, therefore, that parents only come to their child's Sharing Assemblies and, if they wish to come for the celebration of their child's birthday or to see them receive a Special Mention, on the weeks in between. If your child's birthday will be celebrated during another class's Sharing Assembly please feel free to come along too.

Occasionally there will be special Sharing Assemblies and we will let you know when they are coming up. On Friday 24<sup>th</sup> of March Reverend Sue Auckland will come in for a Mothers' Day assembly at 2.45 pm.

I hope that you will enjoy sharing more of your child's work and look forward to seeing you over the term. If you have any queries please do not hesitate to come in and see me.
