10th May 2017

Dear Parents/Carers

Whole School Skateboarding Day – Friday 26th May 2017

Did you know that skateboarding will be added to the sports we can see at the Tokyo Olympics in 2020?

As we continue to showcase physical education and sport at Scole Primary, I am very excited that I have been able to arrange a session of skateboarding for every class on Friday 26th May 2017. Using our Sports Premium Monies to help fund this activity day we will again be able to offer all the children a chance to take part in a new and exciting sport, with the help of a specialist company who will work with each class in turn throughout the day. I hope this activity may then inspire some of our pupils to take up skateboarding in their free time.

The pupils will be provided with skateboards, helmets, arm guards and knee protectors and the instructor will be supported by adults from each class. The sessions will start off with balance and control and how the board works and reacts when you stand on it. Each session will be age appropriate for the class and will be a chance for everyone to try a new challenge.

To ensure everyone is correctly dressed for the activity all pupils may come to school on Friday 26th May dressed in their PE kit. I would suggest this needs to be shorts, t shirt, sports trousers and a jumper plus a pair of **appropriate trainers**. Only pupils with the correct clothing and footwear will be able to safely take part in the activities on offer.

We will also be asking the local press to visit during the day so please be aware that photographs may be taken and shared both on our website and by the local media. *Please contact the office by Thursday 25th May 2017 if you do not wish your child to be photographed. If we do not hear from you we will assume you are happy for this to go ahead.*

I look forward to an exciting day of challenge, courage and perseverance as we all learn a new skill and maybe a few tricks!

If you have any questions please do not hesitate to come and speak to me.

C Goldsmith
