Dear Parents/Carers

As you aware before half-term we had an inspection by Ofsted. We are pleased to say that following this short inspection the school has been rated as 'Good'. The inspector was particularly impressed with the teaching and learning in our school, the support of the parents and governors, our SEN provision and the strong team of staff. She identified some next steps for the school which will be our focus for school development. The full report can be viewed on our website [www.scole.norfolk.sch.uk](http://www.scole.norfolk.sch.uk).

This week we are having an 'Enterprise Week' where in each class children will be coming up with ideas for items that they can make (within a budget) and then sell to other pupils at the end of the week in order to try and make a profit!. Please could we ask for all children to bring into school on Friday £2 in change so that they may make purchases.

Finally, we have been made aware of a competition being run by National Book Tokens to win £5000 of book tokens for the school. As we are currently in the process of fundraising in order to improve our library we would ask if parents could enter this competition to help us try and win! This can be accessed via the following link.

<https://www.nationalbooktokens.com/schools>

Thank you for your support. If you have any queries please do not hesitate to ask a member of staff or enquire at the office.

Kind regards

Claire Vosper  
Headteacher
