### Walk to School Week

Next week is National Walk to School Week; the Friends have organised a 'walking bus' to school every morning next week for children and parents to participate.

There will be several 'bus stops' in the village where children can 'get on' the bus and be escorted to school by a member of the Friends group.

Parking should be available at each stop so that those families travelling from outside of the village can participate too.

Children will get a 'bus pass' when they join the bus, which they can get stamped each morning so show how many days they have walked to school. Each class will also have a progress chart which the children can add to each day.

Parents are encouraged to join the 'bus' also or ask one of the Friends (wearing the reflective jackets) to be responsible for them.

### The stops will be

8.30 am. Junction with Robinsons Road (plenty of on street parking, as you enter the village turn right at T junction (away from the school) and park on the street just after the pub)

8.35 am Scole Engineering car garage (on street parking)

Or

8.35am roundabout Ransome Avenue/Reeve Close (on street parking or park at community centre)

8.40am War memorial (parking either in lay-by opposite or across the road in the Scole Inn)

8.45am junction of Ransome Avenue with Norwich Road (on street parking)

Please note this is a one-way bus and children will need to be collected from school at the end of the day.

Thank you
