

P.E. & Sport Newsletter

www.scole.norfolk.sch.uk – Visit our PE & Sport pages

Please use our website to see the PE schedule for this year and our termly PE curriculum maps, along with a copy of the National Curriculum for PE and photos, information and celebrations of all our successes. Details of our Sports Premium Funding activities and spending can also be found on our website.

Welcome to the final P.E. and Sport Newsletter of 2016-17.

Once again we have had an amazing year at Scole celebrating our commitment to PE and sport. Every pupil in KS1 and KS2 has taken part in an extracurricular club at some time this academic year, a record which we should be very proud of. Our activities have ranged from karate to tri-golf, archery to bhangra dancing, boxfit to skateboarding and games including dodgeball, lacrosse, volleyball, matball and even yoga! Next year we will be bringing in new activities and ensuring popular ones return to different year groups. The Sports Premium Funding has enabled us to ensure all pupils have two hours high quality PE every week and enhance other opportunities for all.

Our highlight of the year must be the skateboarding day last term which was an amazing day. The sun shone and everyone had a brilliant time learning new and exciting skills. Well done everyone!

From 26th June we will celebrate National School Sports Week with activities before school and at lunchtime. Please refer to the poster on the sports notice board in the corridor to see which activities will be on offer and it will be great if as many pupils as possible joined in at 8.45am every morning. Stickers will be awarded to all participants!

To round off the summer term, we have exciting activity days still to come. Every class will be taking part in athletic field events, such as long jump, throwing challenges and shuttle runs to gain points for their house team before we begin our School Games Sports Day on Wednesday 28th June at 1.30pm (weather permitting.) Come along and watch us celebrate PE the Scole way!

Upcoming Events

Summer Term 2017

KS1 Picnic Sports day at Diss
High School - 11.07.17

National Schools Sports Week –
26-30 June 2017 – activities
every morning.

Sports Day 1.30pm 28.06.17

Congratulations!

Well done to everyone who has taken part in Netball Club/league matches this year. We took two teams to play in separate tournaments at Diss High School and their attitude and netball was excellent.

Everyone who has been working towards their England Netball Skills Award has completed a level or is on course to do so before the end of the term.

Zumba afternoons – Everyone welcome!

Classes 2 & 3 would like to invite you to join in with their Zumba sessions. Taking place on Thursdays 15th and 22nd June our Zumba coach Sarah will be leading sessions outside, so come along, join us and have some fun! Wear your trainers, dress appropriately and bring a drink!

- **Class 3 session** – 1.15pm – 2pm
- **Class 2 session** - 2.15pm – 3pm

Not a parent of a child in class 2 or 3? Come along and join in anyway, we would love to see you.

Swimming – Update

Class 4 will continue swimming at Diss Pool this half term. We will then review our current swimming provision to ensure we are meeting the needs of all the pupils for 2017-18.

PE Kits

Could we please remind parents that PE kits should be in school all week, only taken home for washing on a Friday and returned on a Monday. All items should be clearly named please as it would be a great help in returning lost items.

Trainers must be **appropriate for use in physical activity** with good grip and pupils should be able to tie these independently. A sun hat, sun tan lotion and a water bottle will also be very important to keep everyone safe in the sun this term.

Sports Monitor Passports

Our current year 3 pupils are working towards their Sports Monitor Passport Award, developing leadership skills and working with others across our school community. The award allows the pupils to take an active part in PE lessons, using equipment, thinking about safety, helping others to improve with feedback and advice as well as supporting other pupils to take part in activities and being a good role model. It is hoped all the participants will be awarded their certificates later in the term once all the criteria has been met. Look out for the passport coming home for parents to sign once it is completed.

Sports Premium Funding update

The current funding the school receives for PE and school sports has enabled us to provide a wide range of activities for all our pupils this year, provide taster sessions and transport to cluster run activities such as hockey and athletics. Thankfully the funding will continue into the next academic year which means we are able to begin to plan next year's activities. After school clubs will include cricket, basketball and badminton and I am on the lookout for other further exciting, new activities for everyone to experience.

Do you have an idea?

Over to you... If you have any comments about PE and Sport at Scole, would like to discuss anything or if you have any contacts or ideas about new activities we could embrace please feel free to speak to Mrs Goldsmith.

Thank you for all your support for PE & sport this year.

Well done to all our **Year 6 Young Leaders** who are on target to complete their awards by the end of the summer term. Early morning activities are run by the leaders and they will be instrumental in sports day and NSSW activities.
