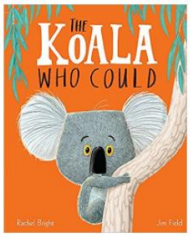
The Kaola Who Could



Focus of activity: Alphabetical order.

In a wonderful place, at the **breaking** of dawn, where the breezes were soft and the sunshine was warm, a place where the creatures ran wild and played free… A koala called Kevin **clung** to a tree. A nicer **grey** fellow you never would meet, as SOFT as a SOFT THING from ear-tufts to feet. His **favourite** way to relax in the sun, was to **cling** and to nap and to munch a leaf-bun. He was terribly good at all these three things. Yes, Kevin was KING of the STAYING-STILL KINGS. You see, **high** up was safe since he liked a slow pace, while the ground **down** below seemed a **frightening** place. TOO FAST and TOO LOUD and TOO BIG and TOO STRANGE. Nope. Kevin **preferred** not to move, nor to **change**.
