

ZERO TO HERO HISTORY

THE BEST THAT I CAN BE LYRICS SHEET

Like a strong young tree
that's growing to the sky -
I'm going to be the best
that I can be.
Like a baby bird
that's learning how to fly -
I'm going to be the best
that I can be.

We'll persevere,
we won't give up,
we'll try and try again.
If we are smart I'm sure
that you'll agree,
we're going to be the best
that we can be.

Like Einstein who found
school a little tough -
I'm going to be the best
that I can be.
They told Walt Disney
he wasn't good enough -
I'm going to be the best
that I can be.

We're not all good
at everything,
so keep on working hard.
Good things come to those
who try, you see,
we're going to be the best
that we can be.

Like athletes who are
going for the gold -
I'm going to be the best
that I can be.
I could be the greatest story
ever told -
I'm going to be the best
that I can be.

All obstacles
that come our way,
we'll surely overcome.
Take small steps and
we will guarantee,
we're going to be the best
that we can be.

So climb that mountain
soon you will achieve -
we're going to be the best
that we can be.
Reach those stars!
We really do believe -
we're going to be the best
that we can be.

The sky's the limit,
so they say,
the world is at our feet.
When we're grown up,
I'm sure you will agree,
we're going to be the
best that we can,
going to be the
best that we can,
going to be the best
that we can be!
