- Your video will re-appear on the next page, and will stay paused in the right place.

I have attached the independent task slides for your child to fill in if you would prefer to do it this way.

- At the end, the teacher tells your child to complete the end of lesson quiz. You access this by clicking on the 4th green 'button' at the bottom of the page.

- When your child has completed the quiz please click on the 'view score' option and take a screenshot of their result. You could send this to me or a photo of the completed independent task sheet with a message (on Class Dojo) telling me how they managed with the lesson/if they enjoyed it/ found it tricky etc.

Thank you.
