

Please listen to the story Paddington at the Zoo -

<https://www.youtube.com/watch?v=IhexYVtMRiQ>

In the story, Paddington sees several different animals at the zoo. Your activity for today is to find out about your favourite animal and make a fact file all about it.

You can either use the sheet provided or create your fact file in a different way.

Information you **must** include:

- What the animal is
- A picture/drawing of the animal
- Its size and appearance
- Where it lives (habitat)
- What it eats (diet)
- At least one interesting fact

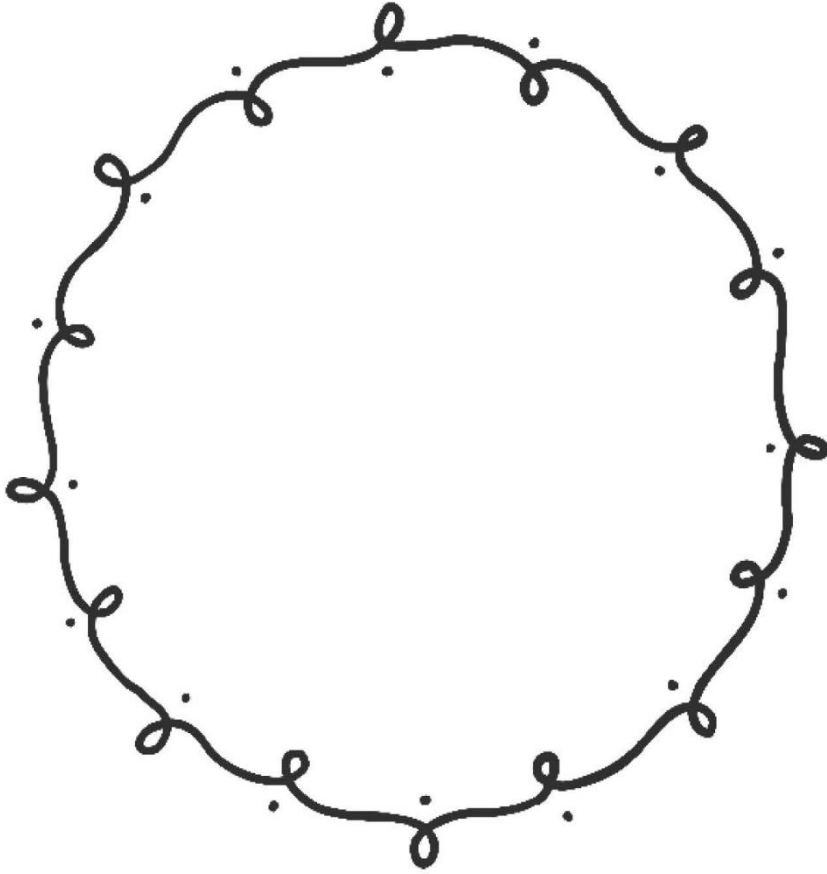

Information you **could** include:

- What its young are called
- What a group of the animals is called
- What a male/female is called
- Who their predators are

Name _____

22nd February 2021
