

SCOLE CEVC PRIMARY SCHOOL

WEEKLY NEWSLETTER

12th November 2021

A New Newsletter!

We appreciate that it is really important that we keep you updated on everything that is happening in your child's school but are also conscious that we haven't really been doing that as well as we could recently. Therefore, we intend to provide you with a weekly newsletter which we will issue every Friday. Its form, I'm sure, will evolve over time but it will routinely feature mentions of special achievements from our children, diary dates for parents, news of forthcoming events and reports of those that have already happened, as well as keeping you updated on how the school is developing. We hope you like it.

Parking!

This has been an issue at every school I have worked in but to be fair, I don't see it as being too much of a problem at Scole. All I would ask of parents is that, at the beginning and end of the school day, they park safely, respecting the access requirements of our neighbours. And of course, if you can avoid driving your child to school, that always helps in so many ways.

Remembrance

Our theme for Collective worship this term is courage and we have adapted that this week to reflect Remembrance. On Thursday morning, we held a special assembly where we joined with many around the Country by holding two minute's silence so we could remember those who have lost their lives in wars and conflicts around the world. We explained the significance of poppies and how they are a symbol of Remembrance and it was good to see these being worn by some children.

HARVEST FESTIVAL

A belated thank you for all the kind donations for our Harvest Festival. These have been passed via the Church to Emmaus Norfolk & Waveney, a charity which supports the homeless
