Dear Parents,

It is with sadness that I am writing to inform you that the present Governing Board no longer has the capacity to continue to govern the school and fulfil its statutory duties. It will conclude its term of office at the end of the year.

Several governors have stepped down, or are planning to step down in the near future, as terms of office end or for personal reasons. All of us want the best for 'our school' and so we support the Local Authority in their decision to appoint a short term Interim Executive Board (IEB) to be responsible for the governance of the school from 1 January 2022. We are confident that this is the right decision for the school at the present time. This Board will work with the school in its governance role and as the application to join St Benet's Multi Academy Trust progresses. It is my understanding that this is a temporary measure and in the future, local governors will again be appointed, at the appropriate time.

The governor role is a voluntary one and I would like to thank all the governors for their hard work over the last few years. I would also like to commend to you the present parent governors who are keen to continue to support the school and work in a governor role, when this is again possible.

I speak for all the governors when I say that it has been a privilege to serve on the Governing Board at Scole C of E VC Primary School and all of us wish the school all the best for the future.

Sincerely and with every blessing,

Sue

Rev'd. Sue Auckland
Chair of Governors 2018 - 2021
